

Pastels on the Plaza

Saturday, October 4th, 2008

Challenging times call for creative solutions. Paying the bills is on everyone's mind. As we plan our 21st "Pastels on the Plaza" we become more grateful than ever before for your support.

Just as the artist's work touches our hearts, your donation touches the lives of children and families on the Northcoast.

Please join us this 21st year by sponsoring an art square. Your donation will benefit the children and families served by Northcoast Children's Services. Our services extend to over 1000 children and families.

Please return the enclosed card:

- Include your artist's name, address and phone if you have already contacted one.
- If you do not have an artist, we will assign one to you.
- If you request special art work (i.e. your business logo), you will need to provide your own artist.

Then join us for a stroll to admire the art work, meet the artists and other sponsors; and celebrate another successful year at the Reception in the Plaza View Room from 11:00 - 2:00.

Thank you for making this special event possible.
